

Hijli College Internal Evaluation Guidelines DEC 2020

1. Online Internal evaluation will be held for semester II and IV and Part 2 students.
2. Evaluation will be done for 50% marks of the concerned paper. If full marks of a paper is 60, then internal evaluation will be held for 30 marks. In case of lab based subjects, 60 marks is divided into 40 marks for theory and 20 marks for lab. Therefore, internal evolution will be held 20 marks for theory and 10 marks for lab.
3. In internal evaluation, For 30 marks theory paper students have answer 1 question out of 6 questions. For lab based subjects, 4 questions will be set for theory papers (F.M. 20 marks) and four questions will be set for lab paper (F.M. 10 marks). Students will have write one question for theory and one question for lab papers. Only theory/method/program will be asked in lab exam. Lab and theory questions will be set in a single paper and those exams will be held simultaneously in a single slot of exam time table. The answer of a question should have to be written within approx 300 words.
4. Time allotted for the exam is 2 hours for all types of papers.
5. Examination will be held in fully online mode.
6. Question papers will be distributed half an hour before the exam. Contact with your department or subject teacher to know how the question papers will be distributed in online mode. Answers scripts should have to be submitted within one hour after the completion of the exam.
7. College will not collect any hard copy of the answer scripts. Students have to install any scanner app in their mobile and take a photocopy of the answer scripts in pdf form. They have to submit the pdf to the Concerned department or subject teacher in either email or any online mode. If any difficulty arises in submission, contact with the department or subject teacher.
8. College will not provide any blank answer scripts. Students are advised to write the exam in good quality notebook or A4 papers. **They must write their registration number and Roll number in the answer script.**
9. For further clarification, students are advised to contact with their department or subject teacher.
